

### **EARLY DROP OFF**

As a convenience to our parents, the Hurley Nursery School is offering 15 minute Early Drop Off for our AM Class. Your child can be dropped off at Hurley Nursery School at 8:45 daily. This is meant to ease the burden for families who have older children to drop off at school or have early morning work commitments. This will be an additional \$30/month. If you are in need of this service, please return bottom portion, signed, to Mrs. Cotter along with payment\*. Please let the classroom teacher know if you need to discontinue this service at any time during the school year.
