

LATE PICK-UP

As a convenience to our parents, the Hurley Nursery School is offering 15 minute Late Pick-Up for our PM Class students. Your child can stay at Hurley Nursery School until 3:15 daily. This is meant to ease the burden for families who have older children to pick up at school. This will be an additional \$40/month. If you are in need of this service, please return bottom portion, signed, to Mrs. Cotter along with payment*. Please let the classroom teacher know if you need to discontinue this service at any time during the school year.

Please Note: If you are late for your late pick up time, you will be charged an additional \$5 every 5 minutes. (If this is abused, we have the right to refuse this service.)
